OUR SAFETY AND HYGIENE MEASURES TO PREVENT  
COVID-19  
UPDATED FEBRUARY 2021\*

- Body temperature, social distancing, and mouth-nose protection:
  - The body temperature of each participant will be measured at the entrance of the race track and before the lunch break. If the body temperature at the entrance of the race track exceeds 37.3°C, the competitor will not be admitted to the event. If the body temperature exceeds 37.3°C before the lunch break, the participant may not continue to participate in the event
  - In all accessible areas, in the paddock as well as in the pits, a minimum distance of 2 m between individual persons may not be exceeded.
  - Groups of more than 10 people must be avoided at all times throughout the premises.
  - Pirelli will provide surgical masks and FFP2 masks. Masks must be worn in all parts of the building, sanitary facilities, and in the pits – also when complying with the minimum distances (2 m) between persons.
  
- Accreditation: In order to prevent the accumulation of people at the accreditation on site, we ask all participants to complete and sign the specified documents before the event and during the registration process on the METZELER THE EPIC RIDE Experience Website.
  
- Welcome and technical briefing: The participants are divided into two groups. The briefing will take place in the press room of the race track in order to ensure a safety distance of at least 2 m between the participants. In order to avoid the accumulation of people, proper management and supervision is ensured.
  
- Lunch/open bar: Appropriate catering to ensure a distance of at least 2 m between guests as well as high hygiene standards and surface disinfection. Enclosed are the reference parameters for maintaining the safety distance:
  - available space while the person is moving, at least 18 m<sup>2</sup>

- available space while the person is standing, at least 10 m<sup>2</sup>
- Safety and hygiene products provided by Pirelli: 
  - Disinfection gel
  - Masks
  - Latex gloves
- A person from Pirelli will be available to the participants throughout the day and will ensure compliance with the given safety and hygiene measures.
- Signs with information about distance and the obligation to wear a mask are clearly visible for all participants at every entrance.

***\*The Participants acknowledge and agree that Pirelli reserves the right to change the above policies at any time before or during the Event and that strict compliance with the above rules is a mandatory requirement for each Participant***
